

HPD UNIQUE IDENTIFIER: 197165147136

CLASSIFICATION: 12 36 40 Stone Countertops

PRODUCT DESCRIPTION: Cambria is a leading, family-owned, American-made producer of natural stone. Cambria offers the most diverse palette of sophisticated designs for residential and commercial applications including countertops, vanities, wall cladding, flooring, and wet bars. As a stain resistant, nonporous natural stone surface, Cambria is strong, safe, maintenance-free and easy to care for, and each design carries a Full Lifetime Warranty against manufacturing defects. With innovative design, American craftsmanship, and superior performance, Cambria provides a lifetime of beauty and peace of mind for any interior space.

Section 1: Summary

Basic Method / Product Threshold

CONTENT INVENTORY

Table with 4 columns: Inventory Reporting Format, Threshold Level, Residuals/Impurities Evaluation, and Characterized/Screened/Identified. Includes radio button options for 'Yes' and 'No'.

CONTENT IN DESCENDING ORDER OF QUANTITY

Summary of product contents and results from screening individual chemical substances against HPD Priority Hazard Lists and the GreenScreen for Safer Chemicals®. The HPD does not assess whether using or handling this product will expose individuals to its chemical substances or any health risk. Refer to Section 2 for further details.

Contents highest-concern GreenScreen score(s) (BM-1, LT-1, LT-P1) ...
BM-1
Nanomaterial ... No

INVENTORY AND SCREENING NOTES:

Substances not identified by name or CAS number are held as proprietary by the manufacturer. All substances include weight by percent and its role in the product. This HPD qualifies for the LEED v4 MR Credit Product Disclosure and Optimization: Material ingredient reporting Option1)

*Form-Specific Hazard: This substance's GreenScreen Benchmark or List Translator score and the applicable hazards are related to particulate inhalation, which is expected to occur only during manufacture, installation, maintenance, or demolition, due to activities such as sawing, sanding, grinding, or intensive cleaning. For this reason, this score is intentionally omitted from the "Contents highest concern" line above. See HPDC's Special Conditions policy for more information.

VOLATILE ORGANIC COMPOUND (VOC) CONTENT

VOC Content data is not applicable for this product category.

CERTIFICATIONS AND COMPLIANCE See Section 3 for additional listings.

VOC emissions: GreenGuard - Gold (previously Children & Schools) - Provisional
VOC emissions: GreenGuard - Indoor Air Quality Certified
Food Equipment Materials: ANSI/NSF 51-2012 Food equipment materials

CONSISTENCY WITH OTHER PROGRAMS

Pre-checked for LEED v4 Option 1.
Pre-checked for LEED v4.1 Option 1.

Summary table with 3 columns: Third Party Verified?, PREPARER: Self-Prepared, VERIFIER:, SCREENING DATE: 2024-07-26, PUBLISHED DATE: 2024-08-06.

Section 2: Content in Descending Order of Quantity

This section lists contents in a product based on specific threshold(s) and reports detailed health information including hazards. This HPD uses the inventory method indicated above, which is one of three possible methods:

- Basic Inventory method with Product-level threshold.
- Nested Material Inventory method with Product-level threshold
- Nested Material Inventory method with individual Material-level thresholds

Definitions and requirements for the three inventory methods and requirements for each data field can be found in the HPD Open Standard version 2.3, available on the HPDC website at: www.hpd-collaborative.org/hpd-2-3-standard

CAMBRIA NATURAL STONE

PRODUCT THRESHOLD: 1000 ppm

RESIDUALS AND IMPURITIES EVALUATION COMPLETED: No

RESIDUALS AND IMPURITIES NOTES: No residuals and impurities have been considered for this product.

Section 3: Certifications and Compliance

This section lists applicable certification and standards compliance information for VOC emissions and VOC content. Other types of health or environmental performance testing or certifications completed for the product may be provided.

VOC EMISSIONS

GreenGuard - Gold (previously Children & Schools) - Provisional

CERTIFYING PARTY: Third Party

ISSUE DATE: 2007-07-18 00:00:00

CERTIFIER OR LAB: UL

APPLICABLE FACILITIES: Cambria Processing Facility - Le Sueur, MN

EXPIRY DATE: 2024-10-11 00:00:00

Environmental

CERTIFICATE URL: <https://spot.ul.com>

CERTIFICATION AND COMPLIANCE NOTES: All Cambria Designs have achieved Greenguard Gold certification(previously Children and Schools). Greenguard Gold certified products are certified to Greenguard standards for low chemical emissions into indoor air during product usage. For more information visit <https://spot.ul.com>

VOC EMISSIONS

GreenGuard - Indoor Air Quality Certified

CERTIFYING PARTY: Third Party

ISSUE DATE: 2006-10-11 00:00:00

CERTIFIER OR LAB: UL

APPLICABLE FACILITIES: Cambria Processing Facility - Le Sueur, MN

EXPIRY DATE: 2024-10-11 00:00:00

Environmental

CERTIFICATE URL: <https://spot.ul.com>

CERTIFICATION AND COMPLIANCE NOTES: All Cambria products have achieved GreenGuard Indoor Air Quality Certification. Indoor Air Quality certified products are certified to Greenguard standards for low chemical emissions into indoor air during product usage. For more information visit <https://spot.ul.com>

FOOD EQUIPMENT MATERIALS

ANSI/NSF 51-2012 Food equipment materials

CERTIFYING PARTY: Third Party

ISSUE DATE: 2014-03-10 00:00:00

CERTIFIER OR LAB: NSF

APPLICABLE FACILITIES: Cambria Processing Facility - Le Sueur, MN

EXPIRY DATE: 2025-01-01 00:00:00

International

CERTIFICATE URL: <https://www.nsf.org/certified-products-systems>

CERTIFICATION AND COMPLIANCE NOTES: All Cambria products are certified to ANSI/NSF 51 ensuring the composition and surface finish of food contact materials will not adulterate food and that materials are not difficult to clean and sanitize

Section 4: Accessories

This section lists related products or materials that the manufacturer requires or recommends for installation (such as adhesives or fasteners), maintenance, cleaning, or operations. For information relating to the contents of these related products, refer to their applicable Health Product Declarations, if available.

No accessories are required for this product.

Section 5: General Notes

Cambria is a natural stone surface product comprised of quartz, binder and pigments resulting in a quartz slab. Since our designs are made of natural stone, they have both an incredibly luxurious look and feature superior performance in strength and durability.

Any hazards associated with Cambria are a result of the raw ingredients as listed in the SDS. Specific to the cancer hazard listed, this is the result of the processing, cutting and grinding of the product(dry) absent of water which can lead to silicosis. Once the slab is produced and fabricated these concerns are no longer present in the finished product as the material is inert. It should be noted that all stone products (granite, marble, concrete etc.) have these concerns during the production and /or fabrication (cutting and polishing) of the material.

MANUFACTURER INFORMATION

MANUFACTURER: **Cambria**
 ADDRESS: **31496 Cambria Avenue**
LeSueur, Minnesota 56058
 COUNTRY: **United States**

WEBSITE: **www.CambriaUSA.com**
 CONTACT NAME: **Arthur Hartman**
 TITLE: **VP of Business Partner Services**
 PHONE: **952-873-3060**
 EMAIL: **Arthur.Hartman@cambriausa.com**

The listed contact is responsible for the validity of this HPD and attests that it is accurate and complete to the best of his or her knowledge.

KEY

Hazard Types

AQU Aquatic toxicity	LAN Land toxicity	PHY Physical hazard (flammable or reactive)
CAN Cancer	MAM Mammalian/systemic/organ toxicity	REP Reproductive
DEV Developmental toxicity	MUL Multiple	RES Respiratory sensitization
END Endocrine activity	NEU Neurotoxicity	SKI Skin sensitization/irritation/corrosivity
EYE Eye irritation/corrosivity	NF Not found on Priority Hazard Lists	UNK Unknown

The Health Product Declaration (HPD) Open Standard provides for the disclosure of product contents and potential associated human and environmental health hazards. Hazard associations are based on the HPD Priority Hazard Lists, the GreenScreen List Translator™, and when available, full GreenScreen® assessments. The HPD Open Standard v2.1 is not:

- *a method for the assessment of exposure or risk associated with product handling or use,*
- *a method for assessing potential health impacts of: (i) substances used or created during the manufacturing process or (ii) substances created after the product is delivered for end use.*

Information about life cycle, exposure and/or risk assessments performed on the product may be reported by the manufacturer in appropriate Notes sections, and/or, where applicable, in the Certifications section.

The HPD Open Standard was created and is supported by the Health Product Declaration Collaborative (the HPD Collaborative), a customer-led organization composed of stakeholders throughout the building industry that is committed to the continuous improvement of building products through transparency, openness, and innovation throughout the product supply chain.

The product manufacturer and any applicable independent verifier are solely responsible for the accuracy of statements and claims made in this HPD and
