Naturepedic Verse Organic Kids Mattress by Naturepedic Organic Mattresses & Bedding

THIRD-PARTY VERIFIED

SCREENING DATE: 2025-11-10
PUBLISHED DATE: 2025-12-03
EXPIRY DATE: 2028-11-10
PREPARER: Self-Prepared
VERIFIER: WAP Sustainability
VERIFICATION #: zPr-13859

Health Product Declaration v3.0
created via: HPDC Online Builder

HPD UNIQUE IDENTIFIER: 10249723904
HPD UNIQUE PRODUCT ID: Not provided.
CLASSIFICATION: 12 58 29 Beds
PRODUCT DESCRIPTION: The Verse Organic Kids Mattress features firm support, ideal for your growing child or teen. Multiple layers of thick organic cotton batting provides cushioning over a premium glueless encased coil support system for a comfortable design that promotes airflow to reduce overheating. The quilted surface features wool batting, which provides superior temperature regulation. The Verse is certified organic and is designed without glues, adhesives, flame retardants, or other questionable materials. With its comfortable and supportive design, your big kid will be dreaming in no time at all.

Section 1: Summary — Nested Method / Product Threshold

CONTENT INVENTORY

Inventory Reporting Format
→ Nested Materials Method

Threshold Disclosed Per
→ Product

Threshold Level
→ Per GHS SDS

Residuals/Impurities Evaluation
Completed in **8** of **8** Materials

Explanation(s) provided for Residuals/Impurities?
Yes

For all contents above the threshold, the manufacturer has:

Characterized Yes
Provided weight and role.

Screened Yes
Provided screening results using HPDC-approved methods.

Identified Yes
Provided name and CAS RN or other identifier.

CONTENT IN DESCENDING ORDER OF QUANTITY

Summary of product contents and results from screening individual chemical substances against HPD Priority Hazard Lists and the GreenScreen for Safer Chemicals®. The HPD does not assess whether using or handling this product will expose individuals to its chemical substances or any health risk. Refer to Section 2 for further details.

NESTED MATERIAL | **MATERIAL OR SUBSTANCE** | *RESIDUAL OR IMPURITY*

VOLATILE ORGANIC COMPOUND (VOC) CONTENT

VOC Content data is not applicable for this product category.

COMPLIANCE *See Section 3 for additional listings.*

VOC emissions: UL/GreenGuard Gold Certified
Formaldehyde emissions: UL Environmental Claim Validation - Formaldehyde Free
Organic agriculture: GOTS Organic Textile Label Grade 1

Organic certification chain-of-custody verification.: TE Organic Content Standard (OCS)

CONSISTENCY WITH OTHER PROGRAMS

No pre-checks completed or disclosed.

Section 2: Content in Descending Order of Quantity

This section lists contents in a product based on specific threshold(s) and reports detailed health information including hazards. This HPD uses the inventory method indicated above, which is one of three possible methods:

- *Basic Inventory method with Product-level threshold.*
- *Nested Material Inventory method with Product-level threshold*
- *Nested Material Inventory method with individual Material-level thresholds*

Definitions and requirements for the three inventory methods and requirements for each data field can be found in the HPD Open Standard version 3.0, available on the HPDC website at: www.hpd-collaborative.org/hpd-3-0-standard

SC:METALALLOY:INNERSPRING **%: 61.0000 - 67.0000**

PRODUCT THRESHOLD: Per GHS SDS RESIDUALS AND IMPURITIES EVALUATION COMPLETED: Yes MATERIAL TYPE: Metal

COMPLIANCE NOTES:

Section 4: Accessories

This section lists related products or materials that the manufacturer requires or recommends for installation (such as adhesives or fasteners), maintenance, cleaning, or operations. For information relating to the contents of these related products, refer to their applicable Health Product Declarations, if available.

No accessories are required for this product.

Section 5: General Notes

All substances in the product meet the thresholds for chemicals and accessory components set by the Global Organic Textile Standard and the certification is for the whole product as well as each substance component. The materials in this product do not contain any reportable substances. The Verse Organic Kids Mattress features firm support, ideal for your growing child or teen. Multiple layers of thick organic cotton batting provides cushioning over a premium glueless encased coil support system for a comfortable design that promotes airflow to reduce overheating. The quilted surface features wool batting, which provides superior temperature regulation. The Verse is certified organic and is designed without glues, adhesives, flame retardants, or other questionable materials.

Preparer Third party preparer, if not self-prepared by manufacturer
Applicable facilities Manufacturing sites to which testing applies

The Health Product Declaration (HPD) Open Standard provides for the disclosure of product contents and potential associated human and environmental health hazards. Hazard associations are based on the HPD Priority Hazard Lists, the GreenScreen List Translator™, and when available, full GreenScreen® assessments. The HPD Open Standard v2.1 is not:

- *a method for the assessment of exposure or risk associated with product handling or use,*
- *a method for assessing potential health impacts of: (i) substances used or created during the manufacturing process or (ii) substances created after the product is delivered for end use.*

Information about life cycle, exposure and/or risk assessments performed on the product may be reported by the manufacturer in appropriate Notes sections, and/or, where applicable, in the Certifications section.

The HPD Open Standard was created and is supported by the Health Product Declaration Collaborative (the HPD Collaborative), a customer-led organization composed of stakeholders throughout the building industry that is committed to the continuous improvement of building products through transparency, openness, and innovation throughout the product supply chain.

The product manufacturer and any applicable independent verifier are solely responsible for the accuracy of statements and claims made in this HPD and for compliance with the HPD standard noted.
